Mám rád les a procházky v něm. Chtěl bych pomáhat zvířatům. Budu bydlet ve vesnici blízko města. Chtěl bych studovat lesnickou školu v Hranicích. Jsem skaut a skaut chrání přírodu. Nejsm vegetarián, ale nenávidím pytláky.

My best friend

I've got many best friends, it is really difficult to choose only one best friend! My best friend is Honza Slavotínek, he goes to school in the city Prostějov in the Czech Republic. He is fourteen. We met in the camp Travná for the first time in 2005. Modelling ranks in his hobby – this is also my hobby. We meet at the actions of the organization Orel. He likes models of airplanes, good food, camps, table games and various sports, computer games. Although we can meet only sometimes, we are very good friends!

Můj nejlepší kamarád

Mám mnoho „nejlepších“ kamarádů, je opravdu složité vybrat jen jednoho nejlepšího! Mým nejlepším kamarádem je Honza Slavotínek; navštěvuje školu v Prostějově v České republice. Má čtrnáct let. Poprvé jsme se potkali na tábore v Travné roku 2005. Mezi jeho koníčky patří modelářství - je to také má záliba. Potkáváme se na akcích pořádané organizací Orel. Má rád modely letadel, dobré jídlo, tábory, deskové hry a různé sporty, počítačové hry. Ačkoliv se vidáme jen občas, jsme velmi dobrými přáteli!

My friend was bullied

My friend was bullied in the seventh class because he was the smallest. He was small as most of the students from the third class. So he had to be a great object of bullying. It's really odd that he was bullied just in the church school.

Můj kamarád byl šikanován

Můj kamarád byl šikanován v sedmé třídě, protože byl nejmenší. Byl tak malý jako většina dětí ze třetí třídy. Takže byl logicky předmětem šikany. Je opravdu divné, že byl šikanován právě na církevní škole.

My favourite film (by Dalibor Matejka)

My favorite film of all time is You've got mail. I've seen it with my sister 3 times. It is love story about two people. The film is just over two hours long.

You've got mail is about two people, who will fall in love. But at the beginning of this love story they hate each other, because Katline has small book shop and Joe Fox opened big book shop. It is competition for her.

I like the film because the story is full of emotions and it seems real, thanks to everyday problems which has everybody. The actors are both professionals. So, it is great to see them in film. In film aren't special effects, but music is weary good with emotions.

(Malý test pozornosti: naidi osm chyb 😊)

Část česko-anglická

7 tabu v angličtině

(aneb sedm žakovských výroků, které je nebezpečné v hodinách anglického jazyka vyslovit, a třeba na ně jen pomyslet)

- Při překladu českého textu: „A to mám přeložit do angličtiny?“
- Po napsání testu: „Co dostanu za jednu chybu?“
- Když po 30 minutovém výkladu učiva, provčívání, ujištění se, že všichni rozumí, a po konečné kontrolní otázce zazní odpověď: „Já nevím.“
- Uprostřed hodiny: „Co je na oběd?“
- Po instrukci o zapsání do sešitu: „A to si máme psát?“
- Při kontrole úkolu, který je zadán na každou hodinu, a to již několik let: „On byl úkol???“
- Po třech měsících probírané látky: „To jsme se neučili.“

Stane-li se to neštěstí, že vám přece jen nějaký z výroků nechtěně uklouzne,

- a) učiníte brzy svého učitele klientem místní psychiatrie,
- b) octnete se zadupání několik metrů pod zemí,

Mým nejlepším přítelem je Pán

Mým nejlepším přítelem je Pán, protože mě provází životem. Život, to nejsou jen dobroty a úsměvy. Je tu, aby mě podporoval, když maminka cítí, že už nic nezvládne. Nikdy mě neopouští.

My best friend is the Lord because he assists me in the life. Life isn't all cakes and all smiles. He's for my support, when mum feels she isn't already able to do anything. He never lets me alone.
