

Delaware is located in the Mid-Atlantic region as well as Pennsylvania, New York, Maryland, New Jersey, West Virginia, and Virginia.

The Mid Atlantic region has a few main cities, like Philadelphia, Baltimore, and New York City. The country's capital is also very close to the Mid Atlantic.

The Mid Atlantic states were a part of the We were first owned by the English but then we had a war and we separated. After separation, Delaware was the first state of the United States.

In these states we have things like amusement parks. At amusement parks we have roller coasters and water slides.
