

Ursuline provides a Band program that any middle school student can join! Ms. Walton is the instructor. The band's instruments range from clarinets to drums! The band students perform in a Christmas concert, and in the evening of the arts, a night when you celebrate all the arts.

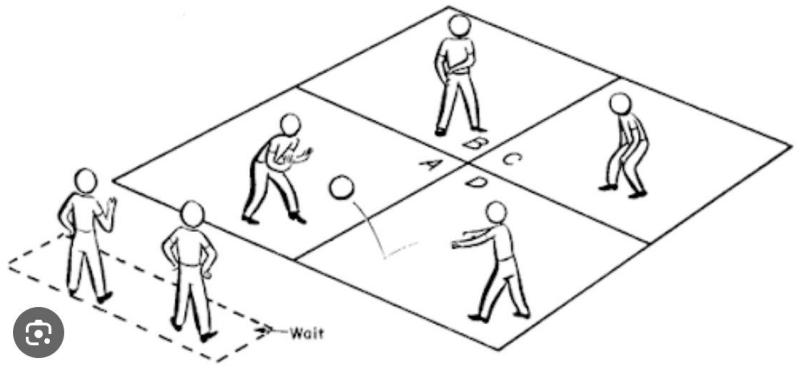

At Ursuline Academy, we focus on the word Serviam, which means "I will serve." At the end of middle school, you have to have 30 service hours. To earn your service hours, you can help people in need or help out at organizations.

At Ursuline, we have many classes. The basic courses you must take in middle school are math, science, English, social studies, religion, and a language of your choice. At Ursuline Middle School you can take Chinese, French, or Spanish.

Some of the trending things at Ursuline are ursuline hoodies/sweatshirts, Four Square, and volleyball! We love hanging out with our friends and having fun!
