

WHOSE PRESENTS?

POSSESSIVES

TASK Oh no! All the labels¹ fell off our family Xmas* presents.
Can you decide² who has each present?

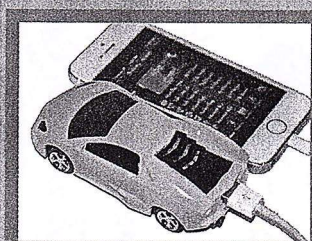

Hm. Who is coming for Christmas? There's my uncle Tim, aunt Susan and my cousins Sara and James. My uncle Tim's favourite things are mobile phones (he has a Huawei phone), cars and motorbikes. His wife, Susie, loves *Stranger Things**. Their kids James and Sara both like it, too, but James' favourite thing is gaming*. Aunt Susie also **collects**³ little things for a doll's house. Who else? My other aunt, Janet, is coming, with her son Sam. Sam's very old. I think he's 22, or 23. He likes playing games on his iPhone X. And Janet? Her favourite thing is taking photos.
